### Seasons That Disciples May Experience

#### Matthew 17:1-9

Winter, Spring, Summer and Fall are the four seasons of the calendar year. Each of these are typically categorized by their weather patterns. Christians who seek to be learners and followers of Christ on a daily basis will also experience a mixture of both sunny and cloudy days. Children of God should strive to be prepared to handle all types of highs and lows in life. This lesson is designed to examine events that took place with Jesus and his disciples and point out various seasons believers can encounter.
